# Office of Administration

#### Team members,

Last week, Governor Mike Parson announced that Missouri will activate Phase 2 of the state's COVID-19 Vaccination Plan on Monday, March 29, 2021. With the activation of Phase 2, all State of Missouri team members will be eligible to get vaccinated.

This email includes all the details for two different ways you can make an appointment to receive the vaccine based on your role with the State of Missouri.

If you are currently eligible to receive the vaccine – please make an appointment at your earliest convenience using the below links.

However, if you are in Phase 2, please do not schedule your appointment before you are eligible on Monday, March 29<sup>th</sup>.

# 1. Missouri Disaster Medical Assistance Team (DMAT) events across the state: For all State of Missouri team members

Date	Location	Address
March 22 - 26	Jefferson City	Capitol Plaza Hotel - 415 W McCarty
March 24	Warrensburg	Warrensburg Community Ctr 445 E Gay St
March 25	Joplin	First Baptist Church Activity Ctr 4128 S Connecticut St.
March 29 – April 2	Jefferson City	Capitol Plaza Hotel - 415 W McCarty
March 30	St. Joseph	MoDOT District Office - 3602 N Belt Hwy
March 30	Lee's Summit	MoDOT District Office - 600 NE Colbern Rd

Date	Location	Address
April 5	Rolla	MSHP Troop I Headquarters - 1301 Nagogami Rd
April 5	Willow Springs	MoDOT Regional Office - 3956 E Main St.
April 6	Macon	MoDOT Regional Office - 26988 Highway 63
April 6	Springfield	Hammons Student Center - MSU 731 Bear Blvd
April 6	Sikeston	MoDOT District Office - 2675 N Main St
April 7-8	Chesterfield	MoDOT District Office - 1590 Woodlake Rd

Registration for each DMAT event is located on the <u>Vaccine Registration Site</u>.

This link will take you to a registration site where you can choose an available time slot. The instructions on the site will walk you through the registration process. Please note that when signing up you need to **Select the ellipses** (...) **next to your preferred time.** Hovering over or clicking on the time will not work. Click "Edit Item" to enter your personal information.

You can confirm your registration by clicking on the <u>Confirmed Registration</u> link and searching for your agency and last 4 digits of your phone number that you provided on your registration form.

You will be required to present your driver's license at registration. We ask for an email address during the registration process in case we need to make contact if there is a change in the schedule or cancellation. In addition, by providing an email it also allows us to send a reminder of your second appointment (if necessary based on vaccine type) as that date approaches.

Team members who register should complete the <u>consent forms</u> prior to their arrival at the vaccination clinic. Forms will be available on site but bringing completed forms will make the process more efficient.

Additional questions or cancellations can be emailed to <u>VaccineRegistration@modot.mo.gov</u>.

2. Strive for Wellness Clinic (Truman building room 478 in Jefferson City) for active state employee subscribers who are enrolled in an MCHCP medical plan through Anthem.

Make an appointment by logging into your account

here: <a href="https://my.mchcp.org/login.aspx">https://my.mchcp.org/login.aspx</a>. Detailed instructions are available here: <a href="https://my.mchcp.org/login.aspx">MCHCP CovidVaccinationAppointmentFlier</a>

Six parking spots in Lot 7 on McCarty Street have been reserved for your use while you are in the Truman building receiving your vaccination. Use this <u>MCHCP COVID Parking Map</u> for more details.

Remember to print out and complete your SFW HealthCenterCOVID-19 Vaccination Forms (available on the myMCHCP website) and bring them with you at the time of your appointment.

The <u>Vaccine Navigator</u> is another option you can use for registering for COVID-19 vaccinations. Registration within Vaccine Navigator can be completed

at <a href="https://covidvaccine.mo.gov/navigator/">https://covidvaccine.mo.gov/navigator/</a>. Once registered within the Vaccine Navigator system, you will receive a scheduling link when your assigned phase is open, and there is an event within your designated region. Events posted within this system are usually public events. Open events within each region can be found at <a href="https://covidvaccine.mo.gov/events/">https://covidvaccine.mo.gov/events/</a>.

#### For all events, remember:

- Appointments are required to receive a vaccine.
- Masks and social distancing are required.
- Do not show up to a vaccine clinic if you are sick.
- Listings of vaccination events are continually evolving. Check the sites often for the latest clinic dates, locations and available reservation timeslots.

If you are considered to be at-risk (over the age of 65 or with a serious health condition), please do not wait for a state-sponsored event. If you have not already done so, you should contact your healthcare provider or local public health agency to begin the vaccination process.

If you are still debating whether or not to get the vaccine, check out the presentations by <u>Dr. Kim Thomas</u> and <u>Dr. Bill Powderly</u> of Washington University in St. Louis. Also <u>get the facts</u> at the state's vaccine website.

If you receive a vaccine from a source other than a state sponsored event and would like to report that, please fill out the online form

at: <a href="https://stateofmissouri.iad1.qualtrics.com/jfe/form/SV\_5nfe58oQqvwIsCy">https://stateofmissouri.iad1.qualtrics.com/jfe/form/SV\_5nfe58oQqvwIsCy</a>. If you are receiving more than one vaccine dose, you can fill it out after the first one and will get an email reminder in 28 days to report completion. You can also wait until the second dose is administered. Reporting is voluntary but encouraged.

Sincerely,

## Commissioner Sarah Steelman
